

Zakayo: Rescuing the little ones

Dear Nekesa (Harvester),

Margaret and I have had an amazing time here in the United States. We are currently in Idaho with our good friend Deb. We are blessed to share communion with our fellow believers, sharing of all that our Lord and Savior Jesus Christ has been doing in Kenya.

We are excited to share with you about a young boy that we have been blessed to add to the Bungoma Bible Children's home this month.

Welcome Zakayo!

He is 5 years old. He came to us through the children authorities from his village. He was rescued from a home where he was being physically abused by an alcoholic parent. Many times Zakayo was left alone to fend for himself when his father was in prison. Zakayo was going through a horrible situation of being molested and abused. When he came to us he was just coming out of the hospital for treatment from his wounds.

We have been working with the authorities to take action against the man that has been abusing Zakayo to ensure he is safe from ever having live in such condition ever again.

Zakayo is a resilient boy. He is full of so much joy despite having gone through such a trauma of abuse. He loves learning and is very articulate. We are so blessed to have him with us. We know that he will heal physically, and in his soul as he encounters the care and the love of our Lord Jesus Christ through our family and our amazing house parents.

We are reminded in Matthew 25:40 'And the King will answer them, Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'

Everything that we do to serve one another, to rescue the little ones, to feed, cloth, and educate those the Lord has placed in our care is having done this unto our Lord and Savior Jesus Christ.

Because of YOUR faithful financial giving to Bungoma Bible Ministries we are able to rescue Zakayo. In the same way you have done it to Jesus. We are grateful.

Thank you for Rescuing Zakayo and forever making an impact on his future and on the lives of every person Zakayo was created to impact in his life time. There will be a line of people in heaven waiting to greet you and thank you for the impact your financial gifts have made in their lives.

In closing, Margaret and I wanted to update you that we are wrapping up our trip here in the US. We will be heading back to Kenya in early October. We ask that you continue to keep our travels in your prayers.

We'd like to encourage you to write us with your prayer requests so that we may stand on prayer agreement with you!
