

Back to School

Dear Nekesa (Harvester),

It is that season when Americans are going back to school for their basic growth in knowledge. The parents are working fervently to provide their children with every thing they need to be successful for their school year.

In Kenya, we are not at the start of our school year. We are in preparation for our boys to start their last trimester of School. In Kenya the school year runs from February through November. This month we need to send the school fees and preparations for our school aged children for their last trimester. In Kenya we pay for the children's school fees, school supplies, and food supplies for each trimester. Here, the children need to provide basics such as flour, sugar, meats, and other items to the school kitchen to prepare their meals for the full three months.

This trimester we want to say, THANK YOU! It is your financial partnership that has provided a way for these young ones to be educated. In Kenya there is not public education that is free to children. If a child is not sponsored by a family member to pay for their schooling then they are not educated. These children have been orphaned with no family to support them.

YOU are their family! Thank you for providing a way for their education.

Each child has a purpose and a call from the Lord. When they are able to be educated, they are growing into productive members of Kenya. We train them in The Lord. Their complete education makes an impact on this nation for our Lord and Savior Jesus Christ.

James 1:27 - "Religion that God our Father accepts as pure and faultless is this: **to look after orphans and widows in their distress** and to keep oneself from being polluted by world."

You are a Christian, a faith that is both pure and faultless in the eyes of the Father. You are looking after the orphans. You are caring for them as a father to the fatherless.

Your financial partnership is being rewarded by the changed lives of these young children growing in knowledge and wisdom. They will impact all of Kenya.

Matthew 25:40
"And the King shall answer and say unto them, Verily I say unto you, *Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.*"

Every dollar you sow into this ministry is changing the future of Kenya. You are serving our Lord and Savior, Jesus Christ! As you have given and sown into each of the least of these, every child, bible school student, and Kenyan, you have done it unto the Lord.

Margaret and I pray for you to experience the rewards of your gifts in this life and in the life to come.

Forever Grateful,
Justus Ochuro
