

## New Year with New beginnings!

Dear Nekesa (Harvester),

**Happy New Year!** We had the most joyous time of celebrating the birth of our Lord and Savior Jesus Christ in December. It was a time to reflect and remember the Lord as we are stepping into the New year and new beginnings for our wonderful boys from Bungoma Bible Children's Home.

We are excited to update you on Bungoma Bible School Children's Home, which is currently home to **40 boys** of whom 9 are in high school, 27 are in elementary school, 2 in college and 2 under the age of 5 who are still cared for at home at home.

Celebrate with us our boys who **graduated college in 2024!**

Moses Braka joined college in 2024, a milestone after he came to the home as a baby.

We have had the privilege to train these amazing men up in the way of the Lord. We have been blessed to pay for their college education with your financial support! They now have a hope for their future! It's a new year, and new beginning for each of them!

Forever Grateful,  
**Justus & Margaret Ochuro**
